Re: Vacation Care Program

Dear Families

It is with regret that we inform you that the YMCA will no longer be operating Vacation Care Programs from 8.00am to 6.00pm in the May/June or August/ September school holidays like we have done so for over 35 years.

We will be providing the Community with a School Holiday Program; a little different to what you have known and details will be forwarded to you closer to date and posted on our website. Hopefully it will be of interest to you, but the ideas planned will not be a full day and you will not be able to claim expenses through the child care benefit scheme provided by the government.

If you wish to contact me personally, I will be happy to discuss this further with you. I may be contacted on 6344 3844.

Yours sincerely

Jodie Johnson  
Assistant Executive Officer
