Giddy Members

Renovations will commence shortly at the 'Y'. Hopefully you will not experienced too much interruptions to your normal activities, but we may have to close the Peck Hall for a day due to the roof being replaced and insulation going in to help keep the rain and the cold out! You will also hear better quality sound going through the place, even out into the outside play area.

The front is getting a face lift with paint and new signage, so it should look inviting! The rest of the outside of the building is getting a bath, washed down and the iron work painted with some tender loving care!

We have had a great start to the year, both the ladies and mixed netball rosters are currently full and I have a couple of teams on the wait list to start! Pre-Kinder Playcentre has good numbers attending, Mondays are currently full, Wednesday is not far behind either. Vacancies do exist on other days if you would like your 3 or 4 year old to attend.

It is great to many children attending training sessions on Mondays for Junior / Teen Basketball. Keep this up and your games will certainly improve for the better. We are going to have a competition very soon and some great prizes to be won! I will give you the details later closer to the end of term!

Remember if you have any feedback on anything to help improve our facilities or programs, please let us know, we would love to know what you think!

Until we see you around the 'Y' ... take care

Jodie Johnson & Ray Willis
